The Visiting Nurse Associations of America (VNAA)'s 28th Annual Meeting will be held April 21-23, 2010, at the Hilton, located in the Walt Disney World® Resort in Orlando, Florida. Its the only national meeting focusing exclusively on nonprofit home healthcare and hospice. The VNAA's 28th Annual Meeting theme is "**Thriving in the New Economy.**" To do this, nonprofit community based home healthcare and hospice providers need to be both mission and performance driven. **Home Healthcare Nurse** is the VNAA's Official Journal for Clinical Practice!

The meeting enables participants to:

- Network among peers and **industry experts.**
- **Unite as the VNA community** to increase effectiveness of advocacy voice and address the most pressing issues facing home nonprofit home healthcare and hospice providers.
- Learn new and innovative ways to **streamline business practices** and strengthen your bottom line - find out how some agencies are thriving in this uncertain economy and how you can apply their successes and avoid their challenges at your own agency.
- Educational opportunities are abundant with 5 keynote and pre-conference speakers, 24 breakout sessions and over 20 poster sessions. You will also have the opportunity to receive many Continuing Education units (CEUs).
- Attend timely and relevant sessions which address political, economic, social and technological issues impacting your industry.
- Engage with the VNAA staff responsible for membership benefits.
- Meet with top decision makers in the nonprofit home healthcare and hospice industry - 73% of the 2009 VNAA Annual Meeting attendees were C Suite Level or above.
- Visit the Exhibit Hall to strengthen vendor partnerships, **forge new relationships** and conduct a years worth of business in a few days.

The VNAA is a national association that supports, promotes and advocates for community-based, nonprofit home health and hospice providers that care for all individuals regardless of complexity of condition or ability to pay. Our mission is to support, promote and advance the nation's network of VNAs, home healthcare and hospice providers who provide cost-effective and compassionate home healthcare to some of the nation's most vulnerable individuals, particularly the elderly and individuals with disabilities. Services include advocacy, education and collaboration. The VNAs represent the largest network of nonprofit providers of influenza vaccine—over 1.5 million flu shots per year.
